

# MAP OF LIGHT RAIL ROUTE

## BENEFITS

The light rail system will contribute to the continued economic growth of the city by bringing people back to the city centre, delivering customers directly to the door of businesses, and linking great new public spaces and city precincts. It will form the centrepiece of a fully integrated, vastly improved public transport network to be delivered by Newcastle Transport, which will cater for the transport demand for years to come.

**Frequent** and reliable services during peak times

Stimulates **urban revitalisation** and delivers customers to the door

Can carry the equivalent of **three full buses**

**Energy-efficient** and **sustainable** form of transport

Part of an **integrated transport** solution

Laying the foundation for **future** light rail network
